Adobe Acrobat Pro DC
Installation Instructions

Before you begin: You must close all Microsoft Office programs (Word, Outlook)

1. Start **Adobe Creative Cloud** by double clicking the link on your desktop:

![Adobe Creative Cloud icon]

You can also search for it using the Windows Start Menu:

![Windows Start Menu with Adobe Creative Cloud search results]
2. Enter your State of Montana email address. 
   You will not need to enter a password at this time, just press either the Enter/Return or Tab keys.
3. Sign in using your State of Montana Active Directory credentials
   *Your C# and State Email password, same as for SABHRS.*
4. Click the **Apps** tab at the top, and scroll down the list to find **Acrobat DC**. Click the blue **Install** button to begin the installation.

*You will not need to be an administrator.*
5. Click **Continue** at the prompt.
6. **Acrobat DC** will begin to install. If you have not closed out of any Microsoft Office (Word, Excel, Outlook) products before this point, you will be prompted to do so now.

*Depending on your internet connection, this may take a while.*
7. **Adobe Acrobat DC** should now be installed on your computer. You can close the **Adobe Creative Cloud** window. Double click the link on your desktop to start **Adobe Acrobat DC**.

8. If prompted to make Adobe Acrobat your default PDF application, **Select Yes**.

![Make Adobe Acrobat my default PDF application](image)

Click **Continue**.

![Set Acrobat as default](image)
9. Click **Change**, then select **Adobe Acrobat DC** from the list. Click **OK**, then **Apply**, then **OK** again.

10. Adobe Acrobat DC is now installed, registered, and ready to use!
