

Women Veteran's Symposium

Since the beginning of the All-Volunteer Force, the number of women serving in the military has grown exponentially. Ultimately, these hero's make the transition from Servicemember to Veteran.

Veterans make up 7.5% of the overall adult population in America. There are nearly 2 million living women veterans in the United States. Women currently make up approximately 10% of the overall veteran population. That means that 1 in every 10 veterans is a woman.

On March 25th, a Women's Veteran's Symposium will be conducted to highlight, educate and offer opportunities to Montana's Women Veterans. Guest Speakers will provide insight into various Veteran benefits.

When: March 25th, 10 a.m. to 2 p.m.

**Where: Kleffner Ranch
305 Highway 518, East Helena , MT 59635**
