

The 1991 Legislature enacted authority for issuance of veteran license plates. A motor vehicle owner and resident of Montana who is a veteran or the surviving spouse (who has not remarried) of a veteran of the Armed Services of the United States, may be issued veteran license plates. National Guard/Reserve retirement eligible and surviving spouse (who has not remarried) also may have veteran license plates.

*Montana Codes Annotated 61-3-458*

Eligible participants must submit official discharge papers (DD 214) or retirement documentation to local County Treasurer. In addition to regular fees, there is a \$10.00 plate fee for the original application and all renewals. The entire \$10.00 supports the State Veterans Cemetery Program.
